

Quality Policy

Ausreo is committed to maintaining the highest-level of quality on its products and services to meet customer expectations, Australian Standards and third-party Certification.

To achieve this commitment, the company will:

- Maintain a quality management system that continuously improves the processing and supply of steel reinforcing products and services to the building and construction industry in an effective, efficient and safe manner.
- Together with our quality management system and the competency of our people, Ausreo will verify compliance with the applicable statutory and regulatory requirements.
- We will only source raw materials and inputs from suppliers that meet the applicable Australian Standards in order to meet customer expectations and specifications.

These objectives are an integral part of Ausreo's Business Strategy to ensure that we achieve corporate responsibility, statutory compliance and quality assurance.

Implementation of this policy is a shared responsibility and all management and staff are responsible for ensuring that work activities are undertaken in accordance with this policy.
